---	--	---	--

Available Sessions

Session 1 and Session 2 last for three hours and cannot be paid for on an individual hour basis.

However, if a longer session is required please contact the Dragonflies after school provision which offers care until 6pm.

Staffing

There will be 2 members of the Framwellgate Moor Primary School team who are responsible for organising and supporting our childcare children. They are Mrs Harris and Mrs Malthouse.

Daily Routine

The childcare routine very much echoes that of Nursery. Children will continue to nursery education with their key worker. During this time they will experience a range of stimulating activities linked to their interests and developmental needs, as well as having a snack and enjoying a nurturing atmosphere with staff and friends. Once group time is over, they will access all areas of Caterpillar and Butterfly Nursery both indoor and out.

Adventures out and about

In addition to activities in school, we may take the childcare children out into the local environment to extend their learning eg a park, café, garden centre etc. If we are planning an adventure out of school, we will let you know in advance.

How you can help us.....

It would really help our childcare provision to run smoothly if you remember to do the following:

- Regular sessions are available to book for the whole year. One month notice must be given to change these hours/ sessions.
- Payment for childcare must be made one month in advance. Sessions **can not** be provided if they have not been paid for.
- During the summer months please send in a named bottle of sun screen and hand it to one of the child care staff so that we can make sure your child can play out safely for the full day.
- Pupils need a change of clothes in a small bag for each day.
- If there are available spaces in some sessions, these can be offered on a flexible basis from week to week, please check at the Nursery hatch.
- The Nursery hatch near the Caterpillar entrance will be open between 8:30am and 9:30am and 12:30pm to 1:30pm every day. All bookings and payments can be done at this hatch and will be served by Miss Dunn. Please avoid using the school main entrance for payments and bookings.

Thank you.
