

Wednesday 15th January 2020

Pupils in year 3 have been learning about Ancient Egyptian hieroglyphs in Art, looking at how each letter of the alphabet has a special symbol. Pupils have been experimenting how to write their own name in Ancient hieroglyphs. We have used different tools like pencil, oil pastels and this week we have used paint.

Our final creations are on papyrus paper which is the same texture/material as the hieroglyph artefacts that we have been looking at.
